

## Key Points To Remember In AkiraChix

- 1) **Respect:** All AkiraChix beneficiaries and staff should show a high level of respect to one another regardless of the position they hold in the institution.
- 2) **Confidentiality:** Information related to safeguarding concerns should only be shared on a need-to-know basis with authorized personnel, such as the safeguarding officer, safeguarding focal point, executive director and professionals supporting the complainant.
- 3) **Diversity and equality:** Despite the race, age, nationality, religion, disability or social origin, AkiraChix treats every individual equally and protects them from any form of abuse. As an individual I should never discriminate against anyone.
- 4) **Empathy:** AkiraChix is committed to practicing empathy by ensuring corrective measures, incident reporting, investigating and taking actions.
- 5) **Continuous learning:** AkiraChix is committed to learning and embracing new safeguarding rules that occur to ensure a healthy and serene environment for all its learners.
